MIRA BEE STITCH ACCESSORY SET

BY CHLOE BIRCH

WEST YORKSHIRE SPINNERS

CHLOE BIRCH

A LITTLE ABOUT ME

As a designer I strive to create exciting pieces, giving you unique styles which are fun and comfortable that can be worn with confidence. Sustainability is hugely important to me and is why I chose to specialise in knitwear within the fashion industry. A handmade garment for life is a beautiful concept and gives fashion a sustainable future.

ABOUT THE COLLECTION

This collection focuses on mindful knitting which Re:treat so beautifully embodies. Each stitch pattern is designed to be relaxing and repetitive giving you a chance to switch off and unwind. This collection features comfortable, wearable pieces to be worn on an autumn walk or snuggled up next to a fire.

MIRA BEE STITCH ACCESSORY SET

Wrap up in a fun and festive winter combination. The bee stitch provides a cosy texture while pops of colour and bobble detail on the hat add unique finishing touches. Best worn on Christmas day surrounded by family.

SKILL LEVEL

Please note that all quantities in this book are based on average usage and therefore are approximate. We cannot accept responsibility for the finished garment if any other yarn than the one specified is used.

Although every effort had been made to ensure that instructions are correct, West Yorkshire Spinners cannot accept any liabilities. Owing to photography and printing restrictions the colour reproduction is matched as closely as possible to the yarn.

Having long championed the positive benefits of knitting on health and happiness, West Yorkshire Spinners is delighted to partner with national mental health charity, Mind.

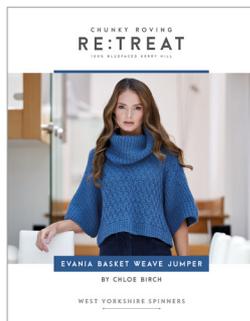

Re:treat was developed with wellbeing in mind. The yarn has a silky smooth finish which slides easily off the needle, helping our knitters unwind in stress-free oasis.

We make a donation to Mind for every ball of Re:treat yarn sold, so you are also helping to support this wonderful charity to research, improve services and raise awareness of mental health, wellbeing and mindfulness.

SPECIAL ABBREVIATIONS

m1p	make one purlways. (By picking up loop between last and next stitch and purl into the back of this loop).
K1b	Knit one below. Insert your working needle into the stitch directly below the first stitch on your main needle, knit wise. Wrap your working needle with the working yarn and knit the stitch as normal, pulling the yarn through the stitch and letting both the working stitch and the stitch above it fall off the needle.

SEWING NOTES

When sewing up longer seams in Re:treat use short lengths of yarn to prevent the sewing yarn weakening and twist the sewing yarn every few stitches to keep the strength. This is due to the soft fibres of the yarn. If you prefer you can use a colour match from any left over yarn of a similar shade.
